KIA CLASSES

Tiny Tumblers (walking - 3) and Rockin' Rollers (2-3) (w/parent)

Each class starts with an obstacle course, climbing, swinging, hanging, balancing, crawling, sliding, and taking turns. We incorporate circle time, using various finger plays and songs. From there, we introduce various ball activities, parachute play, and games to encourage critical thinking.

Movin & Groovin - Walking to 4 years (w/parent)

The best of BOTH worlds. A combination class of 30 minutes of Kids in Action AND 30 minutes of Kindermusik, giving your child opportunities to explore their environment through creative play and music.

Gymnastics, Ages 3 - 4 and 5 - 7 (w/o parent)

Introduces developmental gymnastics for fun, not competition. Girls and boys learn on all equipment: Rings, Uneven Bars, Parallel Bars, Rope, Twizzler, Beam, Spring Board, Mini-Tramp, and Rope. Included in each class is a warm up and strength building period, done to energetic music, and made FUN!

Kindermusik

Village- Newborn to Walking

Village focuses on the infant-parent relationship. Lap babies, crawlers, and walkers participate at their own level as they explore their worlds, bodies, and movement.

Kindermusik Adventures: Beach Days and Zoo Train, Walking - 4 years, w/ parent

The class will draw on the movements, sights and sounds of creatures from the beach and the zoo. Each lesson offers just the right balance of structure and spontaneity, of group play and individual exploration and offers the stability and gentle guidance needed to nurture creativity in the very young.

Kindermusik: On The Road Camp, 3 - 5 years, w/o parent June 28-July 2, 2:30 - 4:30

This short camp re-creates the excitement and energy of family travels, singing in the car, making up sounds, or learning to play "I Spy." Children create their own magical world of imagination and play through exploration of musical instruments.
